PAWNCHO™ | INVESTOR FACT SHEET (Q1 2026)

Mission: Engineering a more efficient future for the pet industry. Where fiduciary responsibility meets compassionate innovation.

EXECUTIVE SUMMARY

PAWNCHO™ is a high-growth pet technology and apparel company addressing the "Problem/Solution Gap" in the pet gear market. While traditional rainwear is either over-engineered (bulky/expensive) or under-engineered (cheap plastic), PAWNCHO™ provides a high-efficiency, "grab-and-go" biopolymer solution designed for the modern, mobile pet owner.

STRATEGIC PILLARS

- **Market Opportunity:** Tapping into the multi-billion dollar "Pet Humanization" trend and the surge in pet tech spending.

- **Intellectual Property:** Anchored by **U.S. Patent No. 12,453,334 B1** with multiple additional patents pending.

- **The Double Bottom Line:** Our 50% Profit Donation Pledge creates a unique model of **ROI + Return on Impact**.

- **Foundational Leadership:** Managed with fiscal rigor based on a background at **Goldman Sachs** and the **NSCC**.

THE "T+1" OPERATIONAL ADVANTAGE

We apply a **T+1 Philosophy** to the pet industry:

- **Efficiency:** Reducing systemic waste through compostable material science.

- **Speed:** Rapid deployment through major retail, airport kiosks, and international boutiques.

- **Risk Mitigation:** Sophisticated financial oversight ensuring lean manufacturing and high-margin scalability.

ESG & SUSTAINABILITY

- **Sustainable Materials:** 100% commitment to plant-based, compostable films (PLA) that solve the plastic waste problem.

- **Social Impact:** Scaling our mission to support animal rescues globally through a transparent, high-impact donation model.

- **Corporate Ethics:** A commitment to radical transparency and ethical manufacturing standards.
